

Stars Over Mississippi 2000

We are making education a priority in Mississippi, and would like to offer our heartfelt thanks for your attendance and support of tonight's event. With your help, we are ensuring a brighter future for the children of our state.

A special word of thanks to Mr. Sam Haskell, to all of our distinguished visitors, and to the residents of Amory for their continuing commitment to education in Mississippi.

Stars Over Mississippi is proof that we are setting Unprecedented Goals and making Unparalleled Progress in education for our children and for our state. Working together, we are letting the people of our state, and our nation know that Mississippi is America's State of Promise.
